

GANGGANG TO HOST CREATIVE SUMMIT DURING ALL-STAR 2024, HIGHLIGHTING NATIONAL AND LOCAL CREATIVES WHO ARE BEHIND THE MAGIC OF CULTURE'S BIGGEST EVENTS

Actress Vivica A. Fox, music producer & DJ Sonny Digital, Image Award-Winning producer Kyra Epps, former NBA player and entrepreneur Alan Henderson and more will take stage to share insights and stories

WHAT: In partnership with Indiana Humanities, GANGGANG will host the Creative Summit at Indy's Home Court. Serving as a backstage pass to the behind-the-scenes magic of creativity and culture, attendees will have the opportunity to engage in intimate conversations with trailblazing creatives within industries spanning film, fashion, music, art, food and more.

WHEN: Friday, February 16 - Sunday, February 18 from 12-4pm

WHY: While Indiana is known for its basketball roots, the city is gaining national attention for being a breeding ground for some of the most talented and dynamic creatives. This three-day event will bring a close-up look to how a cultural phenomena such as All-Star weekend comes to life. From conversations on building a brand to curating memorable experiences, Indianapolis entrepreneurs and professionals, nationally recognized artists and entertainers, will share their journeys and stories of success. Attendees will leave informed and inspired, understanding how they too shape and define our culture.

WHERE: Indianapolis Artsgarden, 110 W Washington St, Indianapolis, IN 46204

VISUALS: Celebrity talent, special guests and local public figures; moderated panel discussion
